Sonja Flowers, CL

Who We Are

Preston Persuaders is a club dedicated to helping our members improve their public speaking and leadership skills. We meet every Monday from 7:30pm to 9:10pm at the Custer Road United Methodist Church located at 6601 Custer Road, Plano Tx 75023. The meetings are open to the public and we encourage you to attend if you are thinking about improving your speaking or leadership skills.

Please visit our website at www.prestonpersuaders.org for more details.

Started 27 years ago as 'The Colony Toastmasters', Preston Persuaders has stood the test of time. Originally sponsored by a builder of The Colony, the club has changed locations many times over the years, but has found a home in Plano. In that time the club has helped hundreds of people achieve their goals of speaking before an audience and learning how to lead others. This is thanks to the dedicated men and women of Toastmasters, District 50, and the members and officers of Preston Persuaders. Here is to another outstanding 27 years of helping people from all walks of life achieve self confidence and personal growth!

ONE LEADER CAN MAKE A DIFFERENCE

In 1986 Preston Persuaders almost wasn't. But thanks to the vision of one person, who decided to make a difference, our club is now one of the strongest in the District. Because of Pauline's efforts, the accomplishments of those shown here were possible. Thanks Pauline!

Our special Table Topics only meeting was a huge success. All who participated were winners, but some got ribbons as well. Congratulations to *all* the winners!
